It is the next version of MC19. This is the final version of MC19. Your download link will be emailed to you shortly after this post. The best-rated posts appear at the top of the comments section. Visit this post later. Click the post's title to sort by most recent or oldest. See the top comments for the newest or most popular ones. Categories A few notes on the MC19 list: If you have a bug report, please post the bug here. Bugs in other sites' download pages will not be fixed. For non-bug posts, use the link at the bottom of the page for that site. If you have a site that has not been listed or does not have a download link, you can request that it be added by emailing support at scalerevision dot com. Please include the site's name and URL. If you have an important announcement, post it here. Otherwise, use the Announcements category. Releases If you have an announcement or wish to provide information about a specific release of MC19, post it here. If a release is incorrectly listed, please post here and the moderators will fix it.

Introduction I was looking through a load of sheepskin hat patterns this week and I was struck by how many of them had numbers on them. In my mind, I was trying to figure out how long it would take to knit this hat up! (If you are a hat knitter, you understand what I'm talking about!) It's actually not too complicated to figure out, I just thought it would be a neat challenge to knit the pattern! (This is a free pattern, if you would like to make and donate a hat for an orphan, click here to get the pattern and all the details). What You Will Need US Size 9 circular needles, 1.75 mm, 48 in total (You can use US Size 6 circular needles, but you will have to do the math to figure out how many rows to cast on) US Size 10, 15 or 16 circular needles, 2.25 mm, 12 in total US Size 9, 10, 15 or 16 dpns, 2.25 mm, 5 in total US Size 7, 7.5 or 8 circular needles, 2.5 mm, 10 in total US Size 10, 15 or 16 circular needles, 2 82157476af
